Arizona Polling

Executive Summary

Gravis Marketing, a nonpartisan research firm, conducted a random survey of 684 registered, likely voters in Arizona. The poll was conducted from September 10th through the 11th and has a margin of error of 3.8%. The survey was collected from respondents using interactive voice responses and an online panel of cell phone users. The results are weighted by relevant voting demographics. The poll was paid for by Gravis Marketing Institute.
